Dear Connie:

Please post the following employment ad with your membership:

DIRECTOR OF HIGHWAYS/CIVIL ENGINEER

Full-time position with Nez Perce County Road & Bridge Dept. located in Lewiston, ID. Salary offered: \$60,902 - \$74,664 DOE/DOQ, plus an excellent benefits package. Under the supervision of the Board of County Commissioners, position plans, manages and supervises county construction and maintenance operations and all Road & Bridge employees and activities. Position also performs some professional engineering services and review.

Min. Qualifications: Bachelor's Degree in Engineering or related field; Professional Engineers License; minimum of five years work experience in building and maintaining roads, highways, and bridges, with at least two years supervisory and management experience; experience in establishing and administering budgets; and familiarity with heavy equipment and its maintenance. For a complete list of qualifications, see the job description enclosed in the application packet @ www.co.nezperce.id.us or call the NPC Personnel Dept. @ 208-799-3198/3090 to request an application packet. **Closes Thursday, May 20, 2010 at 5:00 p.m.** EOE and accords veteran's preference.

Thank you!

Sincerely,

Charla Hall,
Nez Perce County Personnel Technician
