

Montana Professional Engineers Hall of Fame

Joseph A. Maierle, P.E., L.S.

Montana Professional License Number 44ES

- * Mount St. Charles College (Now Carroll College), Pre-engineering, 1929
International Correspondence School, B.S. Degree, Civil Engineering, 1930
- * Bridge designer and structural draftsman for Montana Department of Transportation, 1930-1945; During the 1930's he worked on construction of Montana's primary highway system, including U.S. Highway 2 and U.S. Highway 10; He described his work as, "...getting the state out of the mud."
- * Joined with John H. Morrison and founded Morrison-Maierle, Inc. in 1945
- * Served as Director of the Engineering Division of the American Road Builders Association, 1966
- * Active member of American Council of Engineering Companies (ACEC); American Society of Civil Engineers (ASCE); National Society of Professional Engineers (NSPE); Montana Society of Engineers (MSE)
- * Received Citizen of the Year Award from the Helena Kiwanis Club, 1968 and from the Helena Association of Realtors, 1974
- * Honorary Doctorate, Carroll College, 1967; Served as Chairman of the Carroll College Foundation Board of Directors; Served as a member of the Carroll College Board of Trustees for 13 years; Following his service, he was elected as Trustee Emeritus in 1981
- * Assisted Carroll College in the development of the 3-2 engineering program wherein engineering students attended Carroll College for 3 years and an engineering college for 2 years; Carroll College later became an ABET accredited school offering degrees in civil engineering
- * Respected engineer and leader in the fields of highway engineering, bridge engineering, structural engineering, municipal engineering and surveying in Montana, Wyoming, Idaho and Utah
- * A true engineer, an astute businessman and always a gentleman; He embodied the values upon which Morrison-Maierle, Inc. was founded: integrity, commitment and partnership

Inducted November 3, 2006

Presented by the Montana Society of Engineers
A state society of the National Society of Professional Engineers
