## MEMBERSHIP QUALIFICATIONS

### Member (PE, EI, EIT)

A member shall be defined as a person holding a valid license or certificate of registration as a professional engineer, an engineer -in-training or engineer intern, issued under the laws of any state, territory, possession or district of the United States or the equivalent under the laws of any other country, or a retired engineer who obtained and retained a valid license or certificate while in active practice in the profession until retirement.

### Student Member

A student member shall be defined as a person who is enrolled full-time in an ABET-accredited engineering program or an engineering or pre-engineering program that has a transfer agreement with one or more ABET-accredited engineering programs. Students enrolled full-time in a graduate-level engineering program may choose any grade for which they are eligible, including student member.

## MEMBERSHIP BENEFITS

- Montana Society of Engineers advocates for Professional Engineers by monitoring and lobbying during the Montana State Legislature Sessions
- Your Montana Society of Engineers membership entitles you for member pricing at the annual Joint Engineers Conference held each November - this is a savings of \$100 or more at any level of the JEC registration fee schedule
- Montana Society of Engineers sponsors the Montana MATHCOUNTS program
- Montana Society of Engineers created and maintains the Professional Engineers Hall of Fame at MSU—COE
- Montana Society of Engineers oversees and hosts the Gold Medal Award at the Colleges of Engineering at Montana State University and Montana Tech
- Montana Society of Engineers maintains a website with member directory
- Montana Society of Engineers communicates directly with members through electronic newsletters and other communications
- Montana Society of Engineers has existed since 1889
